

SOUTH CAVE  
PARISH COUNCIL  
NEWSLETTER  
AUGUST 2014

## **Annual Parish Meeting DRAFT MINUTES:**

**29<sup>th</sup> May 2014**

**WI Hall**

**South Cave**

**Present:** 34 Members of the public  
4 speakers

**Chair:** Cllr M. Turner

**Clerk:** Lyndsey Fielding

Chair opened the meeting with a brief welcome to the attendees. The minutes of the Annual Parish Meeting of 23<sup>rd</sup> May 2013, were read and approved

There were no matters arising.

### **Presentation:**

*Paul Stevens, Community Resilience Manager, Yorkshire Ambulance Service: Providing information relating to the newly installed Defibrillator at Costcutter, West End, South Cave*

Mr Stevens provided a brief overview of the defibrillator and how and when to use the device.

One member of the public requested an out of hours training session be arranged. Mr Stevens advised it may be possible to arrange an additional training session and would communicate with the Parish Council regarding the arrangements for this.

One member of the public suggestion a regional training session is held. Mr Stevens requested this enquiry be re-directed through the Yorkshire Ambulance service who may consider such arrangements.

One member of the public advised the Fox & Coney might accommodate an additional defibrillator for the village.

The financial statements from the Samuel Jobson Bread Charity, the Sophia & Elizabeth Barnard Trust Charity and the Mrs Barnard Allotment Charity were read.

One member of the public requested further information/history of the charities. Chair explained the history to two of the charities Samuel Jobson Bread Charity and Mrs Barnard Allotment Charity.

### **Presentations:**

*Ros Perry, Caves U3A: The launch of World War 1 Commemorations*

Ms Perry provided information relating to the current works being completed by the Caves U3A and the Launch of the World War 1 Commemorations to be held at The Town Hall on Saturday 2<sup>nd</sup> August 2014.

*Ron Warner, Chairman, South Cave Preservation Society: Providing information on current projects and fundraising*

Mr Warner provided information on the various projects currently being completed by the Preservation Society. The sad loss of Mr Robin Scott, founder of the South Cave Preservation Society were acknowledged and new members to the Society were introduced. The Preservation Society undertake a number of charity fund raising events throughout the year and it was noted the Preservation Society are no longer able to fund raise through the Hot Refreshment Stall at the Farmers Market. The Preservation Society has resolved to donate 50% of donations to the War Memorial Project costing in the region of £25,000.00.

The Preservation Society also raised awareness of the seat to be purchased in honor of Mr Robin Scott, to be located at Castle Drive, South Cave. It was noted a misunderstanding regarding the installation of the Seat had occurred between the Parish Council and the Preservation Society. Clerk advised the Parish Council had agreed to pay for the installation of the seat and were awaiting confirmation from the Preservation Society regarding the location specified by the East Riding of Yorkshire Council, type of seat and dates to arrange installation.

*(More detailed information on the ongoing projects and fundraising, Preservations Society)*

There were varied responses in relation to the War Memorial works, some expressing views to support the project and others opposed to any alterations.

*Mr Killeen, Headteacher, South Cave CE School: Providing information on the newly installed Eco system*

Mr Killeen provided an insight into the new Eco System installed at the school and the financial savings to the school and the East Riding of Yorkshire Council. This being the first school in the region to undertake such a project, and introduced:

*Julie Newby: Introduction as newly appointed Headteacher*

Ms Newby provided a brief outline of her work experience and looks forward to commencing her role as Headteacher to South Cave Primary School.

Chair thanked Mr Killeen for his 25 years service at the school and expressed appreciation for the works completed throughout this period.

The chair opened the meeting to the public for an open session, where the following items were raised for Full Council Consideration:  
Location of Roll of Honour at Town Hall  
Landscaping works to the parcel of land at the A63 to Brough Road

Chair closed the meeting at 8:45p.m with thanks to the speakers for their interesting talks, and to the residents for attending.

## Dog Fouling, Festive celebrations 2014 etc:

“We’ve a problem in our village,  
 And I know it’s nothing new,  
 It concerns us considerate folk,  
 Of those who let their pooches  
     poo,  
 On Pavements and grass  
     verges,  
 On drives and roadways, too,  
 Why cant these inconsiderate  
     folk,  
 Remove their pooch’s poo,  
 It really would be a big hit  
 If these owners removed their  
     sh....urley,  
 Its not too much to ask,  
 To just perform this little task.”

*A concerned resident*

### South Cave Christmas Events

Last year’s Christmas Lights Switch On was a wonderful event attended by many villagers. Building on last year’s success, this year we are hoping to go one step further. Festive lighting will be installed on lampposts on Market Place, and The Parish Council will be helping co-ordinate a Christmas Fayre in the vicinity.

If you would like to support the event contact the clerk

Do you have any Photographs of King George V playing field, before the play equipment was removed?

If so, please contact The Clerk on 01430 421044 or email:

## **South Cave Show:**

We are all being encouraged to spend more time in our gardens!! Television programmes promote competition – “The Allotment Challenge” on BBC. East Riding Newsletter encourages cutting the cost of food by growing your own fruit, vegetables and herbs. We don't know about your particular household but many people receive gardening catalogues through the letter box almost every day promoting the sale of horticultural products, plug plants, seeds and the like! Not forgetting of course the greatest Flower show in the world – the Chelsea Flower Show... and then we come along and promote the virtues of SOUTH CAVE SHOW!!!

By now of course our regular visitors to the Show will be familiar with the many classes you can see, inspect and, with any luck, win a significant prize – a red first prize winner's card. Classes range from the traditional flowers, fruits and vegetables, through handicrafts for adults and children, knitting, jam making, cake making for men as well as you ladies all the way to photography.

The photography classes this year are:

- 1) Exits and entrances, 2) Vegetable(s), 3) Shape(s)

We have made the subjects quite wide to give everyone an opportunity to test all creative skills and interpretation.

Our schedule is now in most village shops and also our out of town sponsors so you should have no difficulty getting hold of one to start to plan your entries for the Show. Visit our web site for more information [www.southcaveshow.co.uk](http://www.southcaveshow.co.uk)

We now seem to have established an admirable feature for our Show – even more entries, entrants and visitors each year – so keep it up and make 2014 an even more memorable event than any of our previous years!

We look forward to seeing you all again on August Bank Holiday Monday, August 25<sup>th</sup> 2014.

## **South Cave WI: South Cave celebrates – WI Centenary baton arrives**

The WI organisation was founded in 1915, and a Baton to celebrate this anniversary has been travelling around England and Wales since January this year. It will end its journey at the Annual Meeting at the Royal Albert Hall on 4 June 2015.

Each Federation throughout the country have been taking photographs of their area and these will be saved on a memory stick inside the Baton.

It arrived in East Yorkshire in a pink Fiat Mini car with large black eyelashes at the Yorkshire Waterways Museum in Goole on Wednesday 14 May 2015 where it was handed over from South Yorkshire Federation. South Cave WI was the first to start the celebrations in our area.

A Coffee Morning held in the WI Hall the following morning, Thursday 15 May, started the ball rolling. A large number of the community were entertained by children from South Cave Primary School hand bell ringers whilst South Cave WI Members served tea, coffee and cake and joined in the fun by dressing in 1930's decade clothing.

In the afternoon the Baton was carried to Howden Ashes Playing Fields where nine WIs joined together to hold a "Village Fete" whilst music throughout the decades was played. All the ladies dressed in clothing from the decades since 1915 to the present. Each WI also had placards with Resolutions showing how the organisation has influenced life in England and Wales since 1915. These ranged from "Take Your Litter Home" to "Milk for all Children in School".

Later the bells from Howden Church pealed whilst the Baton left by Penny Farthing to continue its journey to Holme on Spalding Moor, and thereafter around the whole of East Yorkshire over a seven day period.

Whilst travelling around East Yorkshire the Baton was carried by open top bus, a purple people carrier, canal barge, and other fun vehicles before being taken over the River by the Humber Rescue Boat. It was met on the south bank by a Fire Engine to continue on its way to the Ropery Museum in Barton where it was handed over to the Humberside Federation.

Everyone in the East Yorkshire Federation of WIs had a very enjoyable week whilst the Baton was in our area. We hope that as it continues its travels throughout England, other Federations will have as much fun as we did before it arrives at the Albert Hall in London.

## **South Cave WI celebrates 85 years:**

South Cave WI celebrated its formation in 1929 with an Afternoon Tea in the WI Hall on Thursday 12 June.

It was felt by the Committee and Members that such a milestone should not be missed, although life is busy at the moment in the WI! We had a wonderful day with the Centenary Baton in May and are looking forward to holding the annual Strawberry Tea on 28 June, but even with all the hard work involved with these events, everyone agreed that an 85th Birthday should not be overlooked.

Members enjoyed cake and scones and a short quiz on a chocolate theme before a Commemorative Birthday Cake was cut by two of our longest serving members, Betty Binks and Emily Young.

It was a lovely way to celebrate South Cave WI's 85<sup>th</sup> birthday on a beautiful sunny afternoon.

### **South Cave Womens Institute**

"Are you having a party and need a few extra chairs, tables, plates or cutlery? Why not contact the WI in South Cave and arrange to hire them for a small charge? The Hall is also available for hire on certain days. Contact Mrs Ruth Stride, Tel: 01430 422205 for more details."

Many thanks,

Cynthia Cray

## **A New Direction for the Farmers' Market**

South Cave Farmers' Market was established 13 years ago as a way of bringing local producers closer to the community, and giving shoppers an opportunity to buy fresh local food. Craft stalls were later added and today the market offers a range of goods including fresh meat and vegetables, homemade cakes and chutneys, plants and crafts. It is also a popular meeting place for the people of the village.

Following discussions with the market stallholders it has now been agreed that it is time for a change. The Parish Council will be withdrawing from the organisation of the market, and from October it will be run by the traders themselves on a co-operative basis. There are no changes planned to dates or location, and you will still find most of your favourite stalls, but this is an opportunity for the market to move in a new direction. For those of you who took the time to complete our recent questionnaire, your comments have been noted and will be passed on to the stallholders.

The Parish Council will continue to take an interest in the market as it does for other village organisations, but of course the future of the market depends upon the local community. Please continue to support your market and help the new venture to succeed.

I would like to thank all the people who have been involved with the market since it started, and whose hard work has laid the foundations of the market that we have today. And I wish the stallholders every success for the future.

## Boundary issues – East Riding of Yorkshire Council would like to update voluntary sector organisations and community sector groups about the forthcoming referendum.

In March 2014, Hull City Council decided to establish a commission to look into what it sees as its restricted administrative boundaries and determine potential solutions – including a boundary extension.

In response to this, East Riding of Yorkshire Council resolved unanimously to strongly resist any attempts by Hull City Council to expand its boundary into the East Riding and to hold a referendum this September in the 12 parishes most likely to be affected by any boundary change.

The parishes involved in the referendum are:

- **Anlaby with Anlaby Common**
- **Bilton**
- **Cottingham**
- **Elloughton-cum-Brough**
- **Hedon**
- **Hessle**
- **Kirk Ella**
- **North Ferriby**
- **Preston**
- **Swanland**
- **Welton**
- **Willerby**

East Riding residents who do not live in the 12 parishes could still be affected by the proposals. They can have their say on the issue by completing and returning a consultation form that will be published in September's edition of Your East Riding, which all households receive through the post.

Hull City Council's commission was set up without prior discussion or consultation with East Riding of Yorkshire Council, or in relation to the four options the commission has been asked to look into.

The options are:

- Extend the city council's boundaries to include the wider 30-minute Hull-travel-to-work area (which would include Withernsea, Hornsea, Beverley, Market Weighton and Brough)
- Create a single authority combining Hull and East Riding councils
- Extend the city's boundaries to include surrounding towns and villages in the East Riding
- Keep the two existing councils but combine functions such as planning, tourism, economic regeneration and general administration.

No town or parish councils exist in the city of Hull, unlike the East Riding which is fully parished. East Riding of Yorkshire Council's referendum will provide an opportunity for voters in the 12 parishes to have a say on their future and to influence future decision-making processes – therefore it is very important that people exercise their vote in the referendum.

### Boundary referendum details

The referendum in the 12 parishes will be a postal vote, with ballot papers being sent to the home addresses of eligible voters from Monday 8 September. The ballot papers need to be returned in pre-paid envelopes or handed in to council customer service centres, leisure centres or libraries in the listed parishes by Friday, 26 September. The count will take place on Monday, 29 September with the results announced shortly after.

There will be two questions on the ballot papers:

- The first will ask whether electors think the boundaries of Hull City Council should be extended to include the 12 parishes.
- The second question will ask whether voters think Hull City Council should be allowed to build upon land it owns in the green open spaces separating Hull and the towns and villages in the East Riding.

East Riding of Yorkshire Council has sought for many years to protect the green open spaces from being built upon but this is now being opposed by Hull City Council which wants to develop land it owns in these areas.

## The Role of the Parish Council

**Many of you may not know what the your Parish Councils role within the community is, this article provides a brief overview of your Parish Council and the Role within your community**

Parish Councils are run by Councillors, who volunteer their time to make their community a better place. Their work falls into three main categories:

- Representing the local community
- Delivering services to meet local needs
- Striving to improve the quality of life in the parish

Parish Councils have a broad range of powers and duties covering planning, provision of amenities, and other local services, from youth projects to traffic calming measures.

Parish Councillors have an important role in working with their communities.

Parish Councils meet regularly to address their responsibilities. Apart from councillors, each parish council has a clerk who provides administration for the council.

Parish councils are responsible for managing their own budgets. They are financed through the precept, an amount of money calculated as an estimate for the coming financial year and collected as part of your council tax. This money is used to improve facilities and services for local people. Parish Councils can also apply for other funding, such as grants and awards.

Parish Councils actively encourage input from residents on what the community needs, so that they can budget for that activity.

## **You can get involved by:**

### **Contacting one of your Parish Councilors with ideas or concerns about the parish**

You can find out who your Parish Councillors are from the Parish Council Clerk or visit [www.southcavepc.gov.uk](http://www.southcavepc.gov.uk), calling 01430 421044 or visiting the Office at The Town Hall, 42 Market Place, South Cave.

### *Attending parish council meetings*

The Councillors meet regularly as a Parish Council and welcome attendance and participation from the community. Meetings are advertised, but you can contact the Clerk for dates and times of the forthcoming meetings. At the beginning of each Full Council meeting there is an open forum for the public to put forward questions and points they wish to raise.

### **Flooding in South Cave 20 July 2014.**

Yet again our village suffered a flash flood event on 20 July.

Unfortunately there were homes in the village that were inundated with contaminated water again, which is a very sorry state of affairs and at least one of the property owners was not at home when the rains came down, so was unable to take any preventive measures.

Some of the flooding may have been unavoidable, but much of it was aggravated by a lack of maintenance. The road was impassable on Church Street outside the school and the library, and the bowling greens and tennis courts looked more like

swimming pools. This was despite the fact that the Beck running close by was running fast with a water level below that in the road. Maintenance work may have been able to prevent this.

This was not the only area affected and I know that many people will have photographs of other parts of the village where the water did not get away fast enough.

If you have photographs of flooding in the village the Parish Council would be pleased to see them. The best way to pass them over would be by email to our Clerk at the Town Hall using the address - [clerk@southcavepc.gov.uk](mailto:clerk@southcavepc.gov.uk) If you are able to supply photographs it would be good if you could ensure that if the location is not obvious, some explanatory notes are attached.

Alternatively you might prefer to drop copies off at the Town Hall.

This was a very localised event with Market Weighton and North Cave being other affected communities close by, but that does not diminish the impact on those who were directly affected.

You may be aware that there is a planning application outstanding for over 50 houses at The Stray. Despite previously stated views from the village it is likely that this application will be approved in the very near future. These 50 plus houses are in addition to 24 houses at the top of The Stray which were approved by the Government (on appeal) in the last few weeks. Run off from the roads and roofs of this further development at the highest point in the village is unlikely to improve the flooding situation in future.

Bob Munby

The ***South Cave Parish Council*** has recently prepared a basic emergency plan, so that as a community we can help ourselves if something was to happen in our parish.

Checking on vulnerable people, collecting provisions and prescriptions, helping move property and furniture, clearing snow and providing shelter, warmth and food and drinks are the kind of things that we think we can do to help people affected by an emergency.

We are writing to ask for your help. Would you be willing to help out during an emergency? Do you have any particular skills or equipment that you think might be of use? Do you belong to a community group that might be able to help during an emergency, such as luncheon groups or crèches? For snow clearance, limited tools will be available from The Town Hall.

If the answer is yes – and you would like to do something to help your community - we would very much like to hear from you. Please email us at [clerk@southcavepc.gov.uk](mailto:clerk@southcavepc.gov.uk) or call for a form to be sent on 01430 421044. There are no obligations on anyone who volunteers – it will just mean that we may call you in an emergency to ask if you are free to help.

We would also like to hear from you if you think you might need support during an emergency, and we will do our best to contact you in an emergency to see if you are ok.

Thank you to those who have already replied.
