## A Very Special Speaker

If he comes back safe and sound from his fund raising ride to the Olympics, Mike Tomlinson will be talking about the work of The Jane Tomlinson Charity at South Cave WI Thursday on October 13<sup>th</sup>.

If you have ever been inspired by Jane Tomlinson's 'Run for All' to start running done one of their runs or helped out as a volunteer marshal; come and find out how it started and what the charity started by Jane has achieved over the years

Do come and join us, the charge is £3 but for that you get the talk, refreshments and a raffle ticket. We need to know the numbers to cater for, so please ring Margo on 01430 424411 or email [margo@btinternet.com](mailto:margo@btinternet.com) to reserve your seats.

## Wild Places.

A couple of days ago as I was involved in safety inspections on behalf of the Parish Council I observed the beck near the library. The area is a wonderful haven for wildlife. There are numerous buddleia plants (also known as Butterfly Bushes) which are now flowering in white and purple, wild roses and a variety of shrubs, not to forget the nettles. We all know nettles as a real nuisance weed but bear in mind the definition of a weed just being a plant in the wrong place. Nettles in fact support a wide variety of small creatures.

The water draining down from the springs higher up the valley runs clear and free and must provide a valuable haven for small mammals.

This area was created some years ago by the South Cave in Bloom group, in partnership with the Environment Agency and there is a sign testifying to this inside the fence. There are other small areas in the village which may look overgrown and neglected but which also provide somewhere for our wildlife to live. I have in mind the top of the Turks Trod path up to King George V field, the two patches of wild planting at the junction of Castle Drive and Church Street. Parts of Bull Pasture are attractively wild and there is also a larger area on Water Lane at Westcote Farm which is quite a wilderness and benefits from being wet or even flooded at times. This wild area is of course to be lost as a result of planning consent having been granted for housing there.

## Hull – UK City of Culture 2017

Would you like to be a part of Hull – UK City of Culture 2017?

**UK City of Culture** is a designation given to a city in the United Kingdom for a period of one year. The aim of the initiative, which is administered by the Department for Culture, Media and Sport, is to "build on the success of Liverpool's year as European Capital of Culture 2008", which had significant social and economic benefits for the Liverpool area". The inaugural holder of the UK City of Culture award was Derry~Londonderry in 2013. Hull is only the second UK City of Culture.

A lot of work has already been done towards next year's event in Hull and there is a real buzz amongst the people already involved. As with the Olympic Games in London 4 years ago, the organisers are hoping to recruit large numbers of volunteers to help with the day to day events. Initial training for the first wave of volunteers is well under way but there are opportunities for many more.

You don't need to be prepared to strip off and be painted blue to be photographed in the streets (You left it too late for that one.) and you don't have to commit huge amounts of time, but this may be your only chance to be involved in a major event of national significance. You've got the rest of your life to do normal.

Things are getting going already. – You have no doubt noticed all the roads being dug up in the city centre, the Ferens Art Gallery is closed for a major refurbishment and the photography has been carried out for the “Sea Of Hull” art installation. That project is believed to have earned over £5m worth of publicity for the city all round the world.

The organisers are looking for volunteers to assist with events and if you are interested why not paste this address into your browser and get some more information.

## CELEBRATING HM THE QUEEN'S 90<sup>TH</sup> BIRTHDAY BIRTHDAY LUNCH

A delicious lunch was enjoyed by 155 Members of the East Yorkshire Federation of WI's on Thursday 28 April at Skipsea Village Hall to celebrate HM The Queen's 90<sup>th</sup> Birthday.

The three course meal was cooked and served by the Federation's own Catering Committee and started with Bucks Fizz on arrival.

Mrs Marianne Holmes, Chairman, proposed a toast for the Queen's continued good health and her birthday, and a royal themed raffle was drawn. Following the meal the Members were entertained by Mr Keith Goodchild who recounted his memories whilst on Ceremonial duty as part of the Queen's Household Cavalry.

All the Members agreed it had been a fitting and memorable way to celebrate the Queen's 90<sup>th</sup> birthday.

## ANNUAL CONFERENCE AT BRIGHTON

Travelling back from the Brighton Conference on Sunday 12 June the East Yorkshire Federation Delegates were not allowed to feel that they had missed any of the celebrations being held in London, as when they arrived at Leicester Motorway Services, they were treated to a big surprise! Federation Chairman, Marianne Holmes, had arranged for a cake, made by Barbara Ball, to be enjoyed together with sparkling apple juice, to toast Her Majesty's Birthday.

Whilst standing outside the coach singing Happy Birthday to the Queen, members of the passing public cheered and waved in salutation.

### SOUTH CAVE BEER FESTIVAL 2016

Another successful beer festival was enjoyed on the 18 June at the sports field. Thankfully the weather was kind to us yet again and the event was very well attended. The organisers hope very much that you enjoyed this year's event and look forward to next year, which will be on **Saturday 24<sup>th</sup> June 2017**. Sincere thanks to all our fantastic volunteers who help to make the day so enjoyable. It would not be possible to run it without you. The sports club was able to return a profit of just over £5,000 which will be used to maintain and develop the facility in the future.

SPONSORSHIP. If you would like to help in sponsorship for next year's event please contact 07974 432029 for further information.

### **Grants for Local Charities**

If you run a community group or charity in South Cave, you may be eligible for a small grant from the Parish Council. This is to help with your activities or to contribute to a special project.

If you are interested, please contact the Clerk for an application form

Latest Planning News: 15/02148/OUT – Outline Planning permission for 34 dwellings was unanimously approved by the East Riding of Yorkshire Council Western Area Committee on 9<sup>th</sup> August 2016, the Parish Council recommended refusal to this application in October 2015

Are you disabled and need to use a wheelchair in your home? Or perhaps you are caring for a disabled person? Did you know there are council tax reductions available?

Many people know that full council tax has to be paid for a property if two or more people live there and that people who live on their own can apply for a council tax discount.

What they may not know is that they might also be able to get a discount if someone living there qualifies for one of several types of other council tax reductions.

To qualify for a 'Carers' reduction, a person has to be providing care for at least 35 hours a week to someone who is over 18, is not their partner or their child (under 18) and who lives in the same house as them.

The person who they are caring for must be receiving at least one of the following benefits:

- Attendance Allowance
- the higher or middle rate of the care component of Disability Living Allowance
- a daily living component of the Personal Independence Payment
- an increase in the rate of his/her disablement pension

There is also a reduction available for people who have mental health problems if a registered medical practitioner confirms that they have a severe and permanent mental impairment and they are in receipt of one of a range of benefits including:

- Attendance Allowance
- a daily living component of Personal Independence Payment
- Employment Support Allowance
- a number of other allowances granted because of disability

For a full list of qualifying benefits visit [www.eastriding.gov.uk/counciltax](http://www.eastriding.gov.uk/counciltax)

Those who have reached pension age also qualify if they would otherwise have been entitled to one of these benefits.

A reduction is also available if someone (adult or child) who lives in the house is substantially and permanently disabled and **one** of the following conditions is met:

- There is an additional bathroom or kitchen which is needed by the disabled person because of their disability
- There is a room (other than a bathroom, kitchen or toilet) needed by and mainly used by the disabled person because of their disability
- A wheelchair is used indoors by the disabled person

This reduction results in the council tax bill being reduced to the amount payable for a property in the valuation band below the band currently applied to a property. Properties in the lowest valuation band, Band A, will still receive a reduction on their bill.

Information about the complete range of council tax reductions and discounts, including council tax support (a discount for residents on low incomes), is available on East Riding of Yorkshire Council's website. Applications for reductions can also be made online.

Further information and advice is available at customer service centres or residents can telephone the council tax team on (01482) 393939.

"It has been brought to our attention that someone has been placing a lot of sizeable logs across the paths in Little Wold Plantation, presumably in an attempt to stop motorcyclists from riding through the woods. Unfortunately, they are not having the desired effect, but are causing considerable inconvenience to villagers who use the woods on a regular basis to walk their dogs or enjoy as a family group. They also pose a hazard to the many elderly folk who have enjoyed walking in the woods for many years.

We are aware that motorbikers riding through the woods are a problem, and are working to find a successful solution. In the meantime we request those responsible to desist from obstructing the paths in future.

### Activities for Everyone at the W.I Hall

Getting out and being active is important to mental and physical health, whatever your age. Many people do not realise how many groups meet at the WI hall.

On Mondays you can do Zumba, Line Dancing, Ballroom Dancing. Dance Stars on Monday morning is activities for pre- schoolers. It is possible that a further group for children, aged 18months to 6 years, will begin on Saturday mornings in the autumn, if enough interest is shown. (Contact Clare Deluca on 07983392237 or mydancestars@outlook.com)

On Tuesdays it is Yoga or Cave Players Drama Group. On Wednesday we start with Power Hooping, followed by fortnightly U3A Art, and in the evening Zumba. On Thursday there is another chance to do Zumba, Crafty Ladies and the WI meet monthly. We have another Line Dancing session on a Friday afternoon, and Friday evenings Cave Players meet again.

On Saturday and Sunday the hall is ideal for hiring for parties or special events.

**LOOK** OUT!

## SUCCESS OR FAILURE?

The success of your group will depend on members taking an active interest in Neighbourhood Watch and doing their bit to help. The coordinator will be the main point of contact but dependent on the size of your group a handful of willing volunteers will make all the difference – after all, many hands make light work!

## **DOG FOULING.**

Once again the Parish Council has received several more complaints regarding dog fouling. The majority of dog owners/walkers in South Cave behave responsibly and give regard and respect to all of us, but unfortunately there are a few who make our pavements unpleasant places to walk and spoil our lovely village. We are fortunate in having a generous amount of bins and whilst the dogs are not at fault the owners **ARE, IT IS AN OFFENCE** to allow your dog to foul in a public area.

**PLEASE BE A RESPONSIBLE OWNER OR YOU MAY BE FINED**

*Your Opinion matters*

***Do you have a complaint?***

***Do you have a compliment?***

*All opinions matter and if the Parish Council do not know your opinion, they cannot act. If you have any comment to make, please contact the Clerk at The Town Hall or email [clerk@southcavepc.gov.uk](mailto:clerk@southcavepc.gov.uk)*

### **A WILDLIFE HAVEN IN HULL**

Hull regeneration company Wykeland Group, together with Yorkshire Wildlife Trust, have created a haven for wildlife either side of Stage @ The Dock, the new 350-seat performance venue in Hull's long neglected Central Dry Dock.

A team from YWT have planted more than 1,500 Phragmites supplied by one of the UK's leading specialists – MIRES BECK NURSERY!

Phragmites are a reed with tall graceful stems that attract wildlife, including Reed Warblers, Sedge Warblers, Reed Buntings and Wainscot Moths. MIRES BECK have recently supplied over 25,000 Phragmites for conservation projects as far apart as Ripon, Milton Keynes and Cumbria. We even sent 6 plants to a customer in John O'Groats!

The photo (courtesy of Yorkshire Wildlife Trust) shows Jayne Allen and Jon Traill planting our Phragmites in the former dry dock.
