Dear Sir / Madam

Market Place / Church Street, South Cave – Roadworks

Road works are due to commence on Monday 16th May '22 at the above junction and are expected to take 4 weeks to complete.

The purpose of this scheme is to improve pedestrian access across Church Street and to formalise parking outside the shops on Market Place.

The loading bay will be for loading only Mon - Sat 8am - 1pm. Outside of these hours the space can be used for general parking. The overall area available will allow up to 5 cars to be parked.

To allow the works to be carried out safely, temporary traffic control will be in operation for part of the duration of the works. During peak times the traffic signals will be manually controlled to help monitor and reduce queues when required.

The works are being carried out by Specialist Surfacing, represented by Mark Richmond Tel 07985 952447. Site working hours will be Mon – Fri 7.30am to 5pm. Access to properties and businesses will be maintained at all times.

For further details or queries, please contact Jon Swann on 07775 897613.

I apologise for any inconvenience these works may cause.

Yours faithfully

Alistair Martin
Civil Engineering Services

Paul Bellotti

Director of Communities and Environment
