Member of public provided information relating to a voluntary initiative ‘South Cave to Ukraine’ – ‘We are raising funds to supply transportation for Aid that has been donated to the relief effort.

It's essential to get the Aid there as fast as we can.

We have just returned from delivering Aid to the Ukraine border. It was an outstanding success.

A journey that tugged on my heartstrings and reminded me of my service in the United Nations serving in Bosnia in 1993 with The Prince of Wales's Own Regiment of Yorkshire. Where the men of my regiment served for six months, having experienced war myself, I knew I had to help the Ukrainian people. A night in the pub with friends set us off on an unforgettable journey.

In these desperate times, the Ukrainian people need our help so,

We are going again and need your help with fuel costs and crossings.

Thank you to everybody who chipped on the last trip'

A third trip is currently being planned to assist a Doctor who will be volunteering within a Children's Hospital, supplies and equipment will be loaded into two large vans to meet the Doctor on site in order to provide treatment to sick children.

 Application type: Full Planning Permission  
 Cllr Edmond proposed the Parish Council raise no objection in principle to the application; however raise concerns with the close proximity of the development to the neighbouring Property 8 Wold View. The proposed outbuilding would be sited approximately 0.8 metres from the same boundary fence and it should be noted that the proposed development falls within the conservation area.
