Examples of flooding in the East Riding of Yorkshire

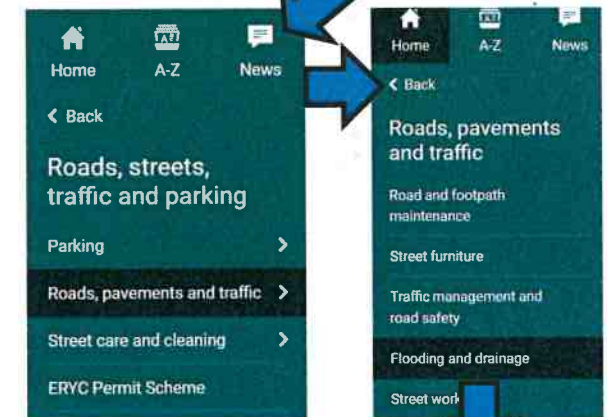

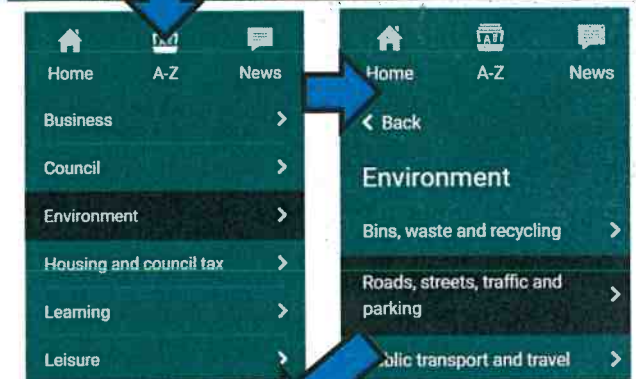

How to report flooding or an issue involving flooding

Please follow the step-by-step instruction below and the illustrated flowchart on the right.

- Starting on the home screen of the East Riding of Yorkshire Councils website. (https://www.eastriding.gov.uk/)

- Using the menu on the left-hand side, select 'Environment'

- Next, select 'Roads, streets, traffic and parking'

- Select 'Roads, Pavements and traffic'

- Then, select 'Flooding and Drainage'. This will take you to the flooding and drainage screen.

- Scroll down to the section titled 'Can I report and issue with a gully, drain, manhole or flooding on the highway'

- Answer the questions in the short questionnaire and then it'll redirect to the enquiry screen where details on the location and the exact issue can be inputted.

Thank you for reporting issues to us!
